No, no, no, no  
No no no, no, no  
No, no, no, no, no (no)  
No, no, noI still see your shadows in my room  
Can't take back the love that I gave you  
It's to the point where I love and I hate you  
And I cannot change you, so I must replace you, oh  
Easier said than done  
I thought you were the one  
Listenin' to my heart instead of my head  
You found another one  
But I am the better one  
I won't let you forget me  
I still see your shadows in my room  
Can't take back the love that I gave you  
It's to the point where I love and I hate you  
And I cannot change you, so I must replace you, oh  
Easier said than done  
I thought you were the one  
Listenin' to my heart instead of my head  
You found another one  
But I am the better one  
I won't let you forget me  
You left me falling and landing inside my grave  
I know that you want me dead  
I take prescriptions to make me feel a-okay  
I know it's all in my head  
I have these lucid dreams where I can't move a thing  
Thinking of you in my bed  
You were my everything  
Thoughts of a wedding ring  
Now I'm just better off dead  
I'll do it over again  
I didn't want it to end  
I watch it blow in the wind  
I should've listened to my friends  
Did this shit in the past  
But I want it to last

You were made outta plastic, fake  
I was tangled up in your drastic ways  
Who knew evil girls had the prettiest face?  
You gave me a heart that was full of mistakes  
I gave you my heart and you made heart break  
You made my heart break  
You made my heart ache (I still see your shadows in my room)  
You made my heart break  
You made my heart ache (can't take back the love that I gave you)  
You made my heart break (were made outta plastic, fake)  
You made my heart ache (I still see your shadows in my room)  
You made my heart break again (I was tangled up your drastic ways)  
Who knew evil girls had the prettiest face? I still see your shadows in my room  
Can't take back the love that I gave you  
It's to the point where I love and I hate you  
And I cannot change you, so I must replace you, oh
