We Are Time

The Pop Group

No waiting, No running
No searching behind
I will break you time
I will break your mind
Waiting
Is a crimeAll will be now, dreams are too fast
You are the first, we are the last
Last, last
We are lastNo sequence to follow
No fear of tomorrow
Kiss of neverness
Life of timelessness
We'll break the speed of change
We'll tame eternityTime is within you
Shines through your eyes
We'll kill the word
Black letter lies
Lies, lies, lies, lies, lies
Your world is built on liesTime, time
Catch up on your bill
You got the works, so
But what to do now?
I, you, we
Are time
I, you, we are
TimeBreak
Tame
Eternity
Time trinity shines through your eyes
Oh, we'll kill the word, black letter lies
Black letter lies
Black letter liesHow it's in your uncertainty
I'll break your mind
To climbAll will be now, dreams are too fast
You are the first
We are the last
Are the lastDon't let time
Catch up on your bill
You got the works, so

But what to do now?
I, you, we
Are time
I, you, we
Are timeI will break you time
It's a crimeAlways we are, we are, we are, we are, we are, we are
We are time
We are, are, we are, we are, we are
We are, we are, we are, we are, we are, we are
We are timeWe are, we are, we are, we are, we are, we areWe are timeWe are time
