## Sevendust

What did you expect?  
Fools often sometimes forget  
Who really knows what's the truth  
Often dignified  
How funny changing the tide  
Feels like you already knew(Praise) like the devil  
(Connect) you would never  
(Sick Man) running circles  
Feels like you already knew(Praise) like the devil  
(Connect) you would never  
(Sick Man) running circles  
Feels like you already knewSave you  
I would never  
Deny you  
Even though your hate for me is strong(See) I'm not what you  
(Think) I'm the one who'll  
(Be) what you never  
Thought would be nothin' and now(See) I'm not what you  
(Think) I'm the one who'll  
(Be) what you never  
Thought would be nothin' and now  
Prise  
(Afraid to open your eyes)And now you realize  
Always you lived in a dream  
How would it feel if you could  
See past the lies  
Oblivious to all of my cries  
No hope when I knew that you couldSave you  
I would never  
Deny you  
Even though your hate for me is strong(See) I'm not what you  
(Think) I'm the one who'll  
(Be) what you never  
Thought would be nothin' and now(See) I'm not what you  
(Think) I'm the one who'll  
(Be) what you never  
Thought would be nothin' and now  
(See) I'm not what you  
(Think) I'm the one who'll

(Be) what you never  
Thought would be nothin' and now(See) I'm not what you  
(Think) I'm the one who'll  
(Be) what you never  
Thought would be nothin' and now(See) I'm not what you  
(Think) I'm the one who'll  
(Be) what you never  
Thought would be nothin' and now(See) I'm not what you  
(Think) I'm the one who'll  
(Be) what you never  
Thought would be nothin' and nowThought would be nothin' and now  
Thought would be nothin' and now
