

Madness (Is All In The Mind)

Madness

I've never had much cause for worry
And I've not got a lot to say
You'll never find me in a hurry
Because I live my life day by day

People say that I'm crazy
But I'm not that way inclined
I know what I know and I'll happily show
That madness is all in the mind

Twenty four hours is all that I care for
I believe that's the only way
Twenty four hours is all that are needed
Because I live my life day by day

People say that I'm crazy
But I'm not that way inclined
I know what I know and I'll happily show
That madness is all in the mind

I'm happy the way that I do things
Continually feeling okay
I've no worries on what tomorrow brings
Because I live my life day by day

People say that I'm crazy
But I'm not that way inclined
I know what I know and I'll happily show
That madness is all in the mind

Well some men seek others in bottles
And others in degenerate ways
But I don't care much for the question
Madness is all in the mind [x4]
