Come On Over Here

Toni Braxton

Come on over here baby
My my, hey hey hey hey hey hey yeah
Whoa, oh yeah
I want you come nowWhere do you go when you need good lovin'?
And how will you know if a love is very hard to find?
How do you say, that you need it everyday?
Well if you look my way, you won't be wastin' timeJust come on over here
And I will take care
Of your every need
'Cause I've got love to give to you
Just come on over here
And don't you worry dear
'Cause I've got more
I've got more than you know what to do withWhat do you do when you're not satisfied?
And when you've done all that you can you know you tried, oh yeah?
And how do you say that you need to get away?
Don't make it so hard when I'm there for you youJust come on over here
And I will take care
Of your every need
'Cause I've got love to give to you
Just come on over here
And don't you worry dear
'Cause I've got more
I've got more than you know what to do withBoy I know that you've been through so much
Don't you think it's time to give it up?
You deserve love the way I do
And how I see it it's you for me and me for you, uh
Ho oh whoa whoa yeahJust come on over here
And I will take care
Of your every need
'Cause I've got love to give to you
Just come on over here
And don't you worry dear
'Cause I've got more
I've got more than you know what to do with, ohJust come on over here
And I will take care
Of your every need
'Cause I've got love to give to you
Just come on over here

And don't you worry dear
'Cause I've got more
I've got more than you know what to do with, babeJust come on over here
I give to you
Just come on over here
'Cause I've got more
I've got more than you know what to do with
Just come on over here
