

Liberation Day

Ferras

All you dreamers
so far you haven't worked it out
and you believers
so far away from heaven
all you mothers
you think you know what every things about you keep banging on and getting it all wrong
uh oh oh oh (uh oh oh oh)
it's a beautiful day to wake up with nothing to say its liberation uh oh oh oh (uh oh oh oh) what a wonderful
thing to throw your elusions away its liberation day
all you lovers
you know your gonna work it out
under the covers

sometimes you gotta give in
all together
come on it's what it's all about
and if i'm banging on
its just another song
uh oh oh oh (uh oh oh oh)
it's a beautiful day to wake up with nothing to say its liberation uh oh oh oh (uh oh oh oh) what a wonderful
thing to throw your elusions away
it's liberation day

and everything i am and everything i own i throw it all away its liberation day i'm gonna am the am i'm gonna
be the be i'm gonna who the hell i'm gonna me the me i'm gonna ring the bell and free the freak in free the
freak in me
uh oh oh oh (uh oh oh oh)

it's a beautiful day to wake up with nothing to say its liberation uh oh oh oh (uh oh oh oh) what a wonderful
thing to throw your elusions away its liberation day uh oh oh oh it's a beautiful day to wake up with nothing to
say e ay e ay e ay e ay yeah e yeah e yeah e yeah e yeah e yeah e yeah e yeah e yeah
