

Whiskey Or God

Dale Watson and His Lone Stars

Whiskey or God Gonna bring me relief
Believin or not
Bending my elbow or my knees
Im gonna drink until my conscience bleeds
Before I fall asleep Im gonna say a prayer for a brighter day
Whiskey or God
Bring salvation to me I wake up in the mornin after sufferin thru the night
Not knowin' at the dawn is gonna bring relief in site, so Whiskey or God
Is gonna bring me relief
Believin or not
Bending my elbow or my knees
Im gonna drink until my conscience bleeds
Before I fall asleep Im gonna say a prayer for a brighter day
Whiskey or God
Bring salvation to me
