## Fu Manchu

Runnin' a motor live, shoot through in time  
Hustle a fortune give, straighten the side  
Chort movin' all, burnin' in mind  
Well past the start, I'm given' up this time I know, right on time  
I know, checkin' the line  
I know, right on time  
I know Sit there in hiber sound, spacin' a fall  
Burnin' a handle thin, don't mind at all  
Believe I seen it now, leavin' with more  
With all of them wrong, still givin' ya for I know, right on time  
I know, checkin' the line  
I know, right on time  
I know I know, right on time  
I know, checkin' the line  
I know, right on time  
I know
