Drown

Lovebugs

You know
I'd rather be rather be
Drowned againYou wanna be amused
Just wanna be entertained
And do it for a laugh
Just to have a little fun
You wanna be admired
Just wanna be the only one
Swirling in my head
'cause I could never let you downYou know
I'd rather be rather be
Drowned again
Rather be rather be
Drowned in love embraceEveryones your friend
But no one knows just how you feel
Oh tell me is it worth
You never let somebody in
