

Crazy

One Chance

Verse 1: (Rob)

What if I cheated on you?
And risk everything for a little,
Temporary piece of something that,
Doesn't come close to you.
What if I broke your heart?
And just threw away all the loving,
Your trust, your belief in us.
Though you know I'm not a fool.

You know that I willing never leave you.
And We've both know that I need you. (Need, Aye)
