Triflin

Coko

Ice gleam when you walk through
Stopped in my tracks like daddy what I need
But I'm a play the back got a whole lot of chicks
Wanna say they touch your stacks
And I see you're playin' Santa Claus
Got 'em all on your lapBut they givin' you whatever you want
Not me though, stallion ride rough
Plus I'm trying to see dough
Enough to make you fiend
Coko like cane, what you need
Challenge make it nothing
Let me see if you can handle meSexy, tempting, caught my attention
Knew that he had me in a daze
Oh his fly ways, teasing me
Enchanted, the way he
Stopped and stared me in the faceBut as soon he said a word
The same old line that I already heard
Disappointed me right away
'Cause of the things he had to say wereTriflin', ghetto
Sorry, oh no
Tired, gaming
That's such a shameTriflin', ghetto
Sorry, oh no
Fine as hell though
And that's so pitifulHis lips enticing, so inviting
Smile could melt your heart away, oh
I started to imagine just what could happen
If he should come and talk to meBut as soon he said a word
The same old line that I already heard
Disappointed me right away
'Cause of the things he had to say wereTriflin', ghetto
Sorry, oh no
Tired, gaming
That's such a shameTriflin', ghetto
Sorry, oh no
Fine as hell though
And that's so pitifulOoh, I like what I see
Ooh, shorty, come and talk to me
Ooh, you spoke your first word

Ooh, I can't believe the shit I heardHuh? What you mean you wanna touch at my house?
You'll never see me bent over my couch
Think I'm a chicken watch me thug it out
Matter of fact I'm a forget that I met youNow why you gonna make me get ghetto and disrespect you
Had to be a clown and I'm a laugh at your silly ass
Pass on your petty cash, never should of thought I was weak
Can't believe you had the nerve to speak
Player you know who I am
You must of though I was some type of freakTriflin', ghetto
Sorry, oh no
Tired, gaming
That's such a shameTriflin', ghetto
Sorry, oh no
Fine as hell though
And that's so pitifulTriflin', ghetto
Sorry, oh no
Tired, gaming
That's such a shameTriflin', ghetto
Sorry, oh no
Fine as hell though
And that's so pitifulTriflin', ghetto
Sorry, oh no
Tired, gaming
That's such a shameTriflin', ghetto
Sorry, oh no
Fine as hell though
And that's so pitifulTriflin', ghetto
Sorry, oh no
Tired, gaming
That's such a shameTriflin', ghetto
Sorry, oh no
Fine as hell though
And that's so pitifulTriflin', ghetto
Sorry, oh no
Tired, gaming
That's such a shame
