Lookin' Out Forever

Paul Westerberg

The one who loves you most
Giving up the ghost
Taking to the stage
Like a stone on a graveYeah, I think of her
Every once in awhile
Every once in awhile
ForeverI'm lookin' out forever now
I'm lookin' out forever now
I'm lookin' out forever now, yeahI'm lookin' out forever now
I'm lookin' out forever now
I'm lookin' out forever now, yeahI'm lookin' out forever now
I'm lookin' out forever now
I'm lookin' out forever now, yeahI'm lookin' out forever now
I'm lookin' out forever now, yeahAin't nothing else I can say
Nothin' left to give her
Abandon the wind
I'm a bend in the riverStanding by the bank
They're calling me across
Think of me sometimes
When the river flows becauseI'm lookin' out forever now
I'm lookin' out forever now
I'm lookin' out forever now, yeahI'm lookin' out forever now
I'm lookin' out forever now
I'm lookin' out forever now, yeahI'm lookin' out forever now
I'm lookin' out forever now
I'm lookin' out forever now, yeahI'm lookin' out forever now
I'm lookin' out forever now, yeahGod, I know I'm going home
God, I don't belongTaste me in his kisses
Waste me in my prime
Replace me with another
Think of me some timeI'm lookin' out forever now
I'm lookin' out forever now
I'm lookin' out forever now, yeahI'm lookin' out forever now
I'm lookin' out forever now
I'm lookin' out forever now, yeahI'm lookin' out forever now
I'm lookin' out forever now
I'm lookin' out forever now, yeah
