It's Not My Fault

Anthony Newley

It's not my fault - if you're not falling in love with me
it's not my fault - if a future love you can't see
I should have known I could never win your hand
I know I can't hold your heart with just a wedding band

I'm just a fool in your broken chain of hearts
each one is falling now and I can't hold the parts
I guess you're one of those fond to be free
it's not my fault - if you're not falling in love me
