

# Become Like You (Stereo)

## Small Faces

If I could find a way, would I become like you, yeah?  
If I could throw myself away, would I become like you?  
    Would I know just where I stood?  
    Would my heart be made out of wood?  
    Out of wood?, out of wood?, out of wood?  
    If I could be a brick, would I become like you, yeah?  
If I could give my best friend a kick, would I become like you?  
    Would I know just where I was at?  
    Would my brains be where I sat?  
    Where I sat?, where I sat?, where I sat?  
    Would I become like you?  
    Would I become like you?  
    (Hello, they're playing it again!)  
    Would I become like you?
