Femme Fatale

Big Star

Here she comes You better watch your step She's going to break your heart in two It's trueIt's not hard to realize Just look into her false colored eyes She'll build you up to just put you down What a clown'Cause everybody knows (Elle est une femme fatale) The things she does to pleaseShe's just a little tease See the way she walks Hear the way she talks You're written in her book You're number 37, have a look She's going to smile to make you frown What a clownLittle boy, she's from the street Before you start, you're already beat She's going to play you for a fool Yes, it true
