

# Livin' Not Lovin' You

[Rhett Akins](#)

I live my life  
Dyin' to find someone like you  
But I never dreamed  
I'd come to need  
Someone like I need you  
Now I'm no longer Mr. Independent  
No longer needed noone's help  
I finally depended on someone besides myself(C) I could go on livin  
and i'd go on lovin you  
can't do with one without the other  
gurl i just discovered  
few things i cant do  
i could go on breathin  
when your the air i'm needed  
no i couldn't go on livin not lovin youwho would have thought  
i'd ever be caught fallin in love  
now that your here  
holdin' me near  
i cant fall far enough  
like the night time depends on the sunset  
each new day depends on the dawn  
without you in my life  
gurl i wouldn't last long(repeat C)(repeat C)
