

Contagious

Avril Lavigne

Uh oh Uh oh When you're around I don't know what to do
I do not think that I can wait
To go over and to talk to you
I do not know what I should say And I walk out in silence
That's when I start to realize
What you bring to my life
Damn this guy can make me cry It's so contagious
I cannot get it out of my mind
It's so outrageous
You make me feel so high All the time They all say that you're no good for me
But I'm too close to turn around
I'll show them they don't know anything
I think I've got you figured out So I walk out in silence
That's when I start to realize
What you bring to my life
Damn this guy can make me smile It's so contagious
I cannot get it out of my mind
It's so outrageous
You make me feel so high I'll give you everything
I'll treat you right
If you just give me a chance
I can prove I'm right It's so contagious
I cannot get it out of my mind
It's so outrageous
You make me feel so high It's so contagious
I cannot get it out of my mind
It's so outrageous
You make me feel so high All the time
