Inside of Me

Starlight Mints

Hey u see...
What's inside of me

Hey u see...
What's inside of me
What's Inside of me!

What's
[12x]

What's inside of me
Hey u see...
What's inside of me
What's inside of me!

Hey u see...
What's inside of me
It's cellgamy, it's purety, no! It's privity
What's inside of me, of me, of me, of me, of me...
What's inside of me

What's
[32x]

Hey u see...
What's inside of me
Hey u see...
What's inside of me
What's inside of me!

What's inside of me...

Hey u see...
What's inside of me
Hey u see...
What's inside of me
What's inside of me!
