Lie Next To Me

Will Young

I see you've got all that you wanted
You seem so happy this time around
Don't wanna ask too much of you
I'll just get drunk and let you down
Now you really know what I'm like
Things can never be the same
You've seen all my wrongs and my rights
There is nothing left to say

Would you lie
Would you lie
Would you lie, next to me
'Cause I'm outta control
I can't let go
Would you lie, next to me

Since you went I can get lonely
I'll spare you all the details
Took something from me that's the way it goes
It sent me slightly off the rails
Some people don't work well together
It's nice to see you again
I know you're leaving, you said you're leaving
Before you go

Would you lie
Would you lie
Would you lie, next to me
'Cause I'm outta control
I can't let go
Would you lie, next to me

We gotta little lass down the road
I'll stop myself from falling again
And I know it's not long til you go
But while you're here

Would you lie
Would you lie
Would you lie, next to me

'Cause I'm outta control
I can't let go
Would you lie, next to me
Would you lie
Would you lie
Would you lie, next to me
'Cause I'm outta control
I can't let go
Would you lie, next to me

See you got all that you wanted

Mmmmmm
