

# Indians

## Dave Chappelle

We all see in black and white  
When it comes to someone else's fight  
No one ever gets involved  
Apathy can never solve  
Forced out, brave and mighty  
Stolen land, they can't fight it  
Hold on to pride and tradition  
Even though they know  
How much their lives are really missin'  
We're dissin' them  
On reservations and yeah  
A hopeless situation  
Respect is something that you earn  
Our Indian brothers' getting burned  
Original American  
Turned into a second class citizen  
Forced out, brave and mighty  
Stolen land, they can't fight it  
Hold on to pride and tradition  
Even though they know  
How much their lives are really missin'  
We're dissin' them  
On reservations and yeah  
A hopeless situation  
Cry for the Indians  
Die for the Indians  
Cry for the Indians  
Cry, cry, cry for the Indians  
Love the land and fellow man  
Peace is what we strive to have  
Some folks have none of this  
Hatred and prejudice  
Forced out, brave and mighty  
Stolen land, they can't fight it  
Hold on to pride and tradition  
Even though they know  
How much their lives are really missin'  
We're dissin' them  
On reservations and yeah  
A hopeless situation  
Cry for the Indians  
Die for the Indians  
Cry for the Indians  
Cry, cry, cry for the Indians  
War dance  
Territory, it's just the body of the nation  
The people that inhabit it make its configuration  
Prejudice, something we all can do without  
Flag of many colors is what this land's all about  
We all see in black and white  
When it comes to someone else's fight  
No one ever gets involved, no one

Apathy can never solve  
Forced out, brave and mighty  
Stolen land, they can't fight it  
Hold on to pride and tradition  
Even though they know  
How much their lives are really missin'  
We're dissin' them  
On reservations and yeah  
A hopeless situation  
Cry for the Indians  
Die for the Indians  
Cry for the Indians  
Cry, cry, cry for the Indians  
Yeah
