

# Can't Get Away

## Rush of Fools

I am an arrow, I am a rocket  
I am a river, nothing can stop it  
Cause you are the target  
And you are the atmosphere  
You are the ocean  
It keeps pulling me, you're pulling me here

### CHORUS

And I can't get away, can't get away,  
can't get away, can't get away  
I can't get away, can't get away  
I keep running into you  
Can't get away, can't get away,  
Can't get away, can't get away,  
I can't get away, can't get away  
I keep running into you

I am a beggar, You are the table  
I am so helpless, God you are so able  
When I get turned around  
You change my direction  
Cause you're so perfect, I'm so broken  
Here you come with arms wide open chasing after me  
Down every road, you're always waiting there

### REPEAT CHORUS

Even when I close my eyes  
I can't help but see, no  
There's no place that I can hide  
You're such a part of me

I can't get away...  
Cause I keep running into you  
I can't get away...  
I can't get away...  
I can't get away...  
Cause I keep running into you

### REPEAT CHORUS
