

# Nobodys Business

Billy Idol

What a fool to step into those shoes  
Either way you know they win or lose  
You know money talks  
Your eyes they ain't so blue  
You love to watch the green-backs walk  
You got a five-buck, side-pack Tell me, tell me someone stop this pain  
It's your place I was in a rage insane  
I wanted your love so bad  
But your eyes are never blue  
Droolin' over green-back poolin'  
You got a five-buck, side-pack Well I must have been right about somethin'  
Yes to make it to here and to tell you somethin'  
'Cause nobody's business but my own  
Nobody's business but my own  
Well I must have been mad about somethin'  
'Cause I'm M A D and I spell it for nothin'  
'Cause nobody's business but my own  
Nobody's business but my own What a fool to step into those shoes  
Either way you know you win or lose  
You know money talks  
Your eyes so paralyzed  
Don't you realize  
For love and hate it's just too late Nobody's business but my own  
Nobody's business but my own  
Nobody's business but my own  
Nobody's business but my own  
Nobody's business but my own  
Nobody's business but my own
