

Ephemeral Artery™

Neon Indian

Seeming stripped of all the faults that you possessed
You possessed to impress Tilted facades are a losing game at best
Shattered face, scattered hands, ? trust, still displaced Let it spill onto the street
I've no way ? incomplete You know my thoughts aren't hard to teach

Hard to teach

Hard to teach

Hard to teach

Hard to teach

Ah Broken mirror shards laid out and re-arranged
Still the same just re-framed And best reflections you're expecting to receive
The one you seek doesn't ring any bells, so to speak Let it spill onto the street
I've no way ? incomplete You know my thoughts aren't hard to teach

Hard to teach

Hard to teach

Hard to teach

Hard to teach

Ah Let it spill onto the street

I've no way ? incomplete And ? obsolete

Incomplete

Incomplete

Incomplete
