Candlelight

LaBelle

When you touch me I feel something
And it's something that I've never felt before.
It's an aching deep inside me.
And it makes me... makes me want you more and more.
And if you
If you leave out your candlelight I'll be coming for you tonight.
If you leave out your candlelight let me shine on you tonight.
All through the night.
If you leave out your candlelight I'll be coming for you tonight.
I'll come through the night.
If I make it, let's be forever and ever and forever.
Cause that is what I'm looking for.
In the darkness we'll be the fire.
And let our feelings light our way behind the door.
So if you
If you leave out your candlelight I'll be coming for you tonight.
If you leave out your candlelight let me shine on you tonight.
All through the night.
If you leave out your candlelight I'll be coming for you tonight.
I'll come through the night.
When you touch me I feel something
[You know the girl. She in love. She need someone.]
And it's something... Yes. Yes.
There's an aching deep inside me
[You know the girl. She in love. She need someone.]
and it makes me...oh oh oh.
If I make it, let's be forever and ever and ever and ever.
[You know the girl. She in love. She need someone.]
In the darkness we'll be the fire
[You know the girl. She in love. She need someone.]
and let our feelings yes....
shine. shine. shine. shine.
[shine. shine. shine. shine.][You know the girl. She in love. She need someone.]
Yes. Oh the girl's in love.
[You know the girl. She in love. She need someone.]
Yes. Yes. Yes she do.
[You know the girl. She in love. She need someone.]
She needs someone who's gonna love her right.
[You know the girl. She in love. She need someone.]

Yes. Oh. Yes. Yes.I want you to shine. Come on and come on shine. Shine.
[shine. shine. shine. shine.]If you leave out your candlelight I'll be coming for you tonight.
Oh oh yes I will.
If you leave out your candlelight let me shine on you tonight.
Ah. Shine all through the night.
If you leave out your candlelight I'll be coming for you tonight.
Yes I will.
If you leave out your candlelight let me shine on you tonight.
Oh. Ah.
If you leave out your candlelight I'll be coming for you tonight.
Yes leave ... oh... your candlelight.
If you leave out your candlelight let me shine on you tonight.
Yes. Yes. I'll let you feel... hey let you feel real. Yes I will.
