

# Cigarettes In The Theatre (Live At Brixton Academy)

## Two Door Cinema Club

It starts in the theater  
A night of encounters  
If I hadn't been there  
If not for a cigarette And you could see it change  
Look past the blinding light  
Look past the blinding light Just keep talking on  
Tell me your favorite things  
Tell me your favorite things Difference in opinion was never an issue  
Collect all your questions  
'Cause this time we've all night And you could see it change  
Look past the blinding light  
Look past the blinding light Just keep talking on  
Tell me your favorite things  
Tell me your favorite things And you could see it change  
Look past the blinding light  
Look past the blinding light Just keep talking on  
Tell me your favorite things  
Tell me your favorite things
