

# Nothing But the Water (I)

## Grace Potter & The Nocturnals

I have seen what man can do  
When the evil lives inside of you  
Many are the weak and the strong are few  
But with the water we'll start anew Won't you take me down to the levee  
Take me down to the stream  
Take me down to the water  
We're gonna wash our souls clean  
Take me down to the river  
Take me down to the lake  
Yes, we'll all go together  
We're gonna do it for the good Lord's sake I have fallen so many times  
For the Devil's sweet, cunning lies  
This old world has brought me pain  
But, there's hope for me again Well Won't you take me down to the levee  
Take me down to the stream  
Take me down to the water  
We're gonna wash our souls clean  
Take me down to the river  
Take me down to the lake  
Yes, we'll all go together  
We're gonna do it for the good Lord's sake I tried my hand at the Bible  
Tried my hand at prayer  
But now nothing but the water  
Is gonna bring my soul to bare But now nothing but the water  
Is gonna bring my soul to bare
