

S.E.X.L.I.N.E.S

Janet Jackson

[Intro]

Are you recording?[Verse 1]

Don't re-tell me what you are feeling

And don't be shy now, you got me weezing

It's getting so hot, the sexy feeling

Make up my love, boy

From floor to ceiling, got it?[Chorus]

And open my closed doors?

You understand, don't you?
