

Slow Motion

Johnny Williams

All right!
Let's try it in slow motion
Yes, baby
Make it last a little longer
Ah, darling
Let's start in slow motion
Yeah, baby
Make it last a little longer,
Longer, longer, longer Baby, don't expect me to
And your good loving
Is just too good to wait
I want you to understand me
That making love can be a specialty
And, baby
I need your love
I want your love
I need your love
Right now Let's do it in slow motion
Yes, darling'
Make it last a little longer
Ah, baby
Let's do it in slow motion
Yes, darling'
Make it last a little longer,
Longer, longer, longer Baby, when you put your lips on mine
You never act too fast
No, no
I say, kiss me, squeeze me
Let me know you need me
Let's try to make our love last
Yes And, baby,
I want your love
I need your love
And darling, let's do it in slow motion
Yes, darling'
Make it last a little longer
Ah, baby
Let's try it in slow motion
Yes, darling'

Make it last a little longer,
Longer, longer, longerBaby, come on
Let's do it, let's do it, do it
In slow motion, baby
Yeah
Yeah
Make it alright
Make it all night
We'll make it alright
If it takes all nightLet's do it, let's do it
In slow motion
In slow motion
Ah! Ah! Ah!
Slow motion
Slow, slow, slow, slow
Slow motion, slow motion
Don't lose it
Don't lose it, use it
Don't lose it baby
Don't lose the groove
You know I like it
Yeah
YeahYou better like it when
I like it baby,
Ah!
Alright!
In slow motion
