How to Fly

Nickasaur!

I'll teach you how to fly,
with the clouds way up high.
I'll teach you how to fly,
as long as you're by my side.[CHORUS]
I'll teach you how to fly,
Just put your hands in mine.
I'll teach you how to fly.
Fly past the sky.
I'll teach you how to fly,
with the clouds way up high.
I'll teach you how to fly,
as long as you're by my side.I believe you can fly.
I see you runnin' for that open sky.
Now you're cleared for liftoff.
But just take it one step at a time.
Like the birds and the bees we can fly overseas
and get way up high to wave at California.
It will be more than memory.
cause you,
you have the key.
to ignite the engine,
so say sayonara.[CHORUS]
I'll teach you how to fly,
Just put your hands in mine.
I'll teach you how to fly.
Fly past the sky.
I'll teach you how to fly,
with the clouds way up high.
I'll teach you how to fly,
as long as you're by my side.We'll go coast to coast,
Los Angeles to Tokyo.
Then the Bahamas
and San Francisco.
No need for frequent flyer miles.
Just hold on cause it'll take a while.I wanna spend the rest of my life with you.
Lay down, and look up at the sky with you.
Then jump up and play in the clouds with you.
It's a neverending story.Me and you.
Me and you.[CHORUS]

I'll teach you how to fly,
Just put your hands in mine.
I'll teach you how to fly.
Fly past the sky.
I'll teach you how to fly,
with the clouds way up high.
I'll teach you how to fly,
as long as you're by my side.
