Back Up

Bone Crusher

(CHORUS)give you hole back up X 15(RAP)so i walk in the club (what)
i said what's up , it is good in the world , i said what's up so i step in the hood , i said what's up now burn my shoes , i said what's up now your run running and running away from me
hip hip in the rack on me and the grave for mei knew that little but the bleed why you flip , down like the break down whole enemy
