

You Got Me

The Nearly Deads

You're a secret that I keep tight close to my chest.
To tell the truth, you know you got me at my best.
Just so you know- I think about you all the time.
'Cause you're a secret, and you're all mine. Why can't you just make this easy?
You got me, you got me.
Out of sight, but you're on my mind.
Out of breath, because you're right on time. You got me, you got me.
Feelin' bad- I know it's wrong, but it's the truth.
I was feelin' bored, and to me,
You were a kind of escape.
Just so you know- I don't think it's such a crime!
If you can keep a secret, then you're all mine. CHORUS
You're a secret that I keep tight close to my chest.
To tell the truth, you know you got me at my best.
Just so you know- I think about you all the time.
'Cause you're a secret, and you're all mine.
