Hotel

Brian Protheroe

Hotel
Celibate eyes leading the gold blind
Hotel
Highball for one away from the sunshine
Hotel
Bellboy caress while you guess the language
Hotel
He get the bread and you get the sandwich
Hotel
Scuttling maids crisp and delighful
Hotel
Linen to change wet from a nightfull
Sister Louise in with the bed pan
Hotel
I'm on my knees trying to look deadpan
Hotel
Look here I am here I am
Hotel
Telling the time
Eating the jam
Look here I am

Hotel
There in a room I saw Salome
Hotel
Asked her to dance she didn't know me
Hotel
Smiling, I lied 'I have a penny'
Hotel
'Sorry' she sighed, 'I haven't any'

Hotel
Sit by the wall watching the T.V.
Hotel
Man on the the screen says he can see me
Hotel
Silent he lies behind a rainbow
Hotel

What a surprise we're on the same show
