In Love with Another Man

Jazmine Sullivan

If I could, could forget him
I would, please believe me
And I know that I should throw the towel in
But baby, it's not, not that easy, hey
You treat me so much better than himAnd if I was sane there'd be no competition
But, but I'm in love with someone elseAnd I'm so sorry, hey, hey
I'm in love with another man
And I know it ain't right, heyYou should go and find someone else
Who can treat you right, give you the world
Someone who understands the man you are
Cause baby, you shine so bright
And I would just dim your starA girl who'll treat you like you treat them
Boy, I know there's plenty women
Who would love to have a man like you
But I'm in love with someone elseI'm so sorry, baby, hey
I know I ain't right, no, no, no, no, no, no, no
For what I did to you, baby, oh oh yeahI can't explain why it's him and not you
But at the end of the day, baby, I just don't want to
Cause he ain't no doctor, nah and we always seem to fight
He got the perfect body and sometimes he don't even treat me rightOh, but when I'm with him, but when I'm with him, hey
When I'm with him, ain't nobody else like it
I'm so sorry, baby, that I have to do this to you
But I can't go on pretending no, because I love him, I love himAnd I'm so sorry, do you hear me?
I'm so sorry but I love that man, I love that man, oh
He ain't always right, but he's just right for me, oh ohI'm in love with another man
And I'm so sorry, hey
But I love someone else
