

The Weight Of My Words (Four Tet Remix)

Kings of Convenience

There are very many things
I would like to say to you,
But I've lost my way
And I've lost my words.
There are very many places
I would like to go
But I can't find the key
To open my door.
The weight of my words-
You can't feel it anymore.
The weight of my words-
You can't feel it anymore.
There are very many ways
I would like to break the spell
You've cast upon me.
Because all the time
I sacrificed myself
To make you want me,
Has made you hant me.
The weight of my words
You can't feel it anymore...
