

Realize

Lo-Fi

Take time to realize
That your warmth is crashing down on in
Take time to realize that I am on your side
 Didn't I, didn't I tell you
 But I can't spell it out for you
 No, it's never gonna be that simple
 No, I can't spell it out for you
 If you just realize what I just realized
Then we'd be perfect for each other and we'll never find another
 Just realize what I just realized
We'd never have to wonder if we missed out on each other now
 Take time to realize, oh, oh, I'm on your side
 Didn't I, didn't I tell you
 Take time to realize, this all can pass you by
 Didn't I tell you
 But I can't spell it out for you
 No, it's never gonna be that simple
 No, I can't spell it out for you
 If you just realize what I just realized
Then we'd be perfect for each other and we'll never find another
 Just realize what I just realized
We'd never have to wonder if we missed out on each other
 But, it's not all the same, no, it's never the same
 If you don't feel it to, if you meet me half way
 If you would meet me half way
 It could be the same for you
 If you just realize what I just realized
Then we'd be perfect for each other and we'll never find another
 Just realize what I just realized
 We'd never have to wonder
 Just realize what I just realized
 If you just realize what I just realized
 Ooh, ooh
 Missed out on each other now
 Missed out on each other now, yeah
 Realize, realize, realize, realize, oh
