

In My Life / A Heart Full Of Love

Amanda Seyfried

In my life
She has burst like the music of angels
The light of the sun
And my life seems to stop
As if something is over
And something has scarcely begun.
Eponine
You're the friend who has brought me here
Thanks to you
I'm the one with the God
And Heaven is near!
And I soar through a world that is new that is free
Every word that he says is a dagger in me!
In my life
There's been no one like him anywhere
Anywhere, where he is If he asked
I'd be his In my life
There is someone who touches my life Waiting near
Waiting here
A heart full of love
A heart full of song
I'm doing everything all wrong
Oh God, for shame
I do not even know your name
Dear Mademoiselle
Won't you say?
Will you tell?
A heart full of love
No fear, no regret
My name is Marius Pontmercy
And mine's Cosette
Cosette, I don't know what to say
Then make no sound I am lost
I am found!
A heart full of love
(He was never mine to lose)
A heart full of you
(Why regret what cannot be?)
A single look and then I knew

I knew it too
(These are words he'll never say, not to me)oFrom today
(Not to me, no for me)
Every day
(His heart full of love)
For it isn't a dream
Not a dream after all
(He will never feel this way)
