

# When You Say Nothing At All

Carol Banawa

It's amazing how you can speak right to my heart  
Without saying a word, you can light up the dark  
Try as I may, I could never explain  
What I hear when you don't say a thing  
The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best when you say nothing at all  
All day long I can hear people talking out loud  
Holding you holding me, you drown out the crowd  
(The crowd)  
Try as they may they can never define  
What's been said between your heart and mine  
The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best when you say nothing at all  
The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best when you say nothing at all  
(You say it best when you say nothing at all)  
(You say it best when you say nothing at all)  
The smile on your face  
The truth in your eyes  
The touch of your hand  
Let's me know that you need me  
The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me wherever I fall  
You say it best when you say nothing at all  
(You say it best when you say nothing at all)  
(You say it best when you say nothing at all)  
The smile on your face  
The truth in your eyes  
The touch of your hand  
Let's me know that you need me  
You say it best when you say nothing at all  
You say it best when you say nothing at all
