

# C'est La Vie

[Tinashe](#)

Finally feeling free for the night, I got no worries  
Finally got a claim on my life, baby, c'est la vie  
I got plenty trees for the flight  
Think I'll stay a while, I think I'll stay a while  
Ah, baby, stay with me  
Finally feeling free for the night, I got no worries  
Finally got a claim on my life, baby, c'est la vie  
I got plenty trees for the flight  
Think I'll stay a while, I think I'll stay a while  
Ah, baby, stay with me It's now or never  
'Cause I'm leaving the city at dawn  
I'm chasing good weather (weather, weather)  
I got lots of cash on me, they'll never find us  
Skipping all the cracks and leave it all behind us  
(Behind us, behind us, all behind us)  
Never  
And I like it  
You ain't seen nothing (you ain't seen nothing yet)  
Never really ever stop, makin' money on the low  
I been on my VVS  
I be on my head to toe I'm finally feeling free for the night, I got no worries  
Finally got a claim on my life, baby, c'est la vie  
I got plenty trees for the flight  
Think I'll stay a while, I think I'll stay a while  
Ah, baby, stay with me  
Finally feeling free for the night, I got no worries  
Finally got a claim on my life, baby, c'est la vie  
I got plenty trees for the flight  
Think I'll stay a while, I think I'll stay a while  
Ah, baby, stay with me Baby, stay with me  
(Baby, stay with me)
