

June 28th (I'm Single)

Ruben Studdard

June 28th I was saying "I do" to my bride.
And 2 years later in October we said Goodbye.
(unh) And my bed's been so cold in the space
you occupied
And what I want to say is Baby, I'll miss you.
And when I see you in the street, I'm a speak
But now it's official.
Ladies, I'm single.
So when you see me on the street,
don't be scared to speak
I'm a need another lady
I'm single Girl I tried everything to make you smile. (uhm yeaaaah)
I gave you the world on a platter but you wanted out.
(oooo oooo)
I'm not into keeping somebody
that don't want to be mine. Ooooooh Baby, I'll miss you
And when I see you in the street, I'm a speak
But now it's official.
Ladies, I'm single.
So when you see me on the street
don't be scared to speak.
I'm a need another lady.
I'm single And sometimes I get lonely (so lonely) ((ey-eh-uh))
And I just need somebody (oooo)
to make (huuuuhhh)
me say (ooo baby)
Ooo Ooo Ooo baby (yeah e yeaaaah)
Yeah yeah (yeah e yeaaaah) And baby,
I'll miss you!
So when I see you on the street I'm a speak
But it's official. You don't really want to fix us
But you act like you don't want to brake up.
I can't wait around for you to make up
Your mind, Your mind
Baby! I'll Miss you,
And when I see you in the street, I'm a speak
But now it's official.
Ladies, I'm single.
So when you see me on the street

don't be scared to speak.
I'm a need another lady.
I'm single(ooo huuuh ooo baby)I'm single
(yea e yeaaah)
(yea e yeaaah)(Ha!) I'm single
(oooh huuuh (uh-uh) oooh baby)I'm single
(yea e yeaaah)
(yea e yeaaah)
