

Run Run Run (feat. John Legend)

Kelly Clarkson

I wonder how your body tastes
Inside of someone else's place
Pull away your eyes
There's nothing left to heal
I'm alone, but I know everything you feel

And you waited on the rain
Through tears my heart is caged
And we fall through fate
But we rise and rise again
And I run, run, run, run, run
And I run, run, run, run, run
I run, run, run, run, run
I just run run run

Tell me how you closed the door
Knowin' nobody could love you more
Tellin' all your friends that this love was just made for bleedin'
Hung up underwater but still keep on, tryin' to breath in

Our lust for fighting
Tied up in silence
