

Let No Man Put Asunder

Mary J. Blige

I'm surprised to see your suitcase at the door
Remember the good times, don't you want some more
It's not a perfect love, but I'll defend it
'Cause I believe that's what God intended We got love too good to throw away
It's not over between you and me
It's not over, don't want to be free What has been joined by God, by God
Let no man put asunder
Oh no, don't throw it away, yeah I can't hear those words spoken, understood
Making bonds through love, the times are better good
I'm convinced that what is meant to be will be
Even the stars declare that you belong to me We got love too good to throw away
It's not over between you and me
It's not over, don't want to be free What has been joined by God, by God
Let no man put asunder
Oh no, don't throw it away, yeah Hmmm, oh oh oh yeah
It's not over between you and me
It's not over, don't want to be free
It's not over between you and me
It's not over, don't want to be free Said, "I need you and I want you"
I got to have you every day in my dog gone life
It's not over, no, no, no, no, no
Oh no, no, no, no, no, no, no, no Said, "I need you and I want you"
I got to have you every day in my dog gone life
It's not over, no, no, no, no, no
Baby, baby, baby, oh, hm, hm See, one thing I know about me and you
That no matter what we go through baby
I know you will be coming back someday
Because I know deep inside you feel the same way Because it's, it's not over, no
It's not over, no, no, between you and me
It's not over, mmm na
Say ooh baby now, ooh baby Come on y'all and help me out, come on y'all
You know what I'm saying, hey
It's not over, no, no
It's not over between you and me Come on y'all, come on y'all
Baby, baby, baby, baby, baby
It's not over
