

# For Fake

## Crack Up

and i'm bored by all of you  
like there's nothing you could do  
even if i would pretend  
sham will end up with no friend  
still here i go  
don't tell me what i wanna hear  
my wisdom is with fear  
tell me what is left to prove?  
I DON'T REGRET A THING  
EXPERIENCE ANYTHING YOU NEED  
I LET EXPEREIENCE SLOWLY SEEP  
you won't tell me what i wanna hear  
my wisdom is with fear  
tell me what is left to prove?  
you won't acknowledge what i do'  
and you won't tell me what it means  
and you can't see how much remains  
what to do and what do you expect from whom...  
from another kind of me  
for fake...for fake...for fake...for fake
