Aubrey (LP Version)

Bread

And Aubrey was her name,
A not so very ordinary girl or name.
But who's to blame?
For a love that wouldn't bloom
For the hearts that never played in tune.
Like a lovely melody that everyone can sing,
Take away the words that rhyme it doesn't mean a thing.And Aubrey was her name.
We tripped the light and danced together to the moon,
But where was June.
No it never came around.
If it did it never made a sound,
Maybe I was absent or was listening to fast,
Catching all the words, but then the meaning going past,But God I miss the girl,
And I'd go a thousand times around the world just to be
Closer to her than to me.And Aubrey was her name,
I never knew her, but I loved her just the same,
I loved her name.
Wish that I had found the way
And the reasons that would make her stay.
I have learned to lead a life apart from all the rest.
If I can't have the one I want, I'll do without the best.
