In My Song

Peter Tosh

In my song Jah is the melody
In my song he is the symphony
In my song he is the sweet inspiration
In my song it's the perfect meditationWhen I'm feeling down
Got nowhere to go
I get into myself
And I put on a showIn my song Jah is the melody
In my song he is everything to me
In my song he is the musical beat
In my song he is the rhythm and tempoAnd when you're feeling out
Don't sit down and cry
Don't forget
That the music is passing byIn my song Jah is the melody
In my song he is everything to me
In my song he is the sweet inspiration
In my song there is no complication'Cause in times like these
When people don't know what to do
And getting so frustrated
Get into yourself and singIn my song Jah is the melody
In my song he is the symphony
In my song he is the rhythm
In my song he's everything to meIn my song
In my song no complication
In my song Jah is the melody
In my song he is the sweet inspirationIn my song he is the symphony
In my song he makes it feel so good
In my song is a blessing to my soul
In my song can't go outta controlIn my song it is a medicine to me
In my song relieve my frustration
