

# You're Gonna Leave

[Stephen Marley](#)

Which way from here, I'm caught up in the pages of my mind  
And it's not so clear but it seems the hurt is way too much this time  
'Cause I see a vain look in your eyes  
Tell me, do you see the same, same look in mine? Sandpaper kisses, paper cut bliss  
Don't know what this is but it all leads to this  
You're gonna leave her, you have deceived her  
Ooh, just a girl Now here I go again, she said, "I'll break her heart again"  
She plays the fool again, she said, "I'll break the rules again"  
Though I disagree, she thinks she knows me more than me  
It's so hard to see what this voice keeps telling me Ooh, just a girl with featherweight curls  
To expose all she knows, you play like tease  
Just a girl with featherweight curls  
To expose all she knows, you play like tease  
You're gonna leave her, you have deceived her  
Ooh, just a girl
