

# Every Little Thing

Jeff Lynne

If your heart could talk I wonder what it would tell me  
If your mind could walk would it bring me a love never ending  
Yes, I've got to know, I've got to know  
No secrets anymore you've got to tell me All your days have gone a goin' to a go go  
Now the time has come, is it gonna be a no no, no no  
I've got to know, I've got to know  
No secrets anymore you've got to tell me Tell me every little thing that makes you happy, oh oh oh  
Every little thing that makes you glad  
All of the secrets that you hide I got to know  
Whoa, every little thing You've gotta stop all your reservations  
Am I for the chop or is it celebrations?  
Yes, I've got to know I've got to know  
No secrets anymore you've got to tell me Tell me every little thing that makes you happy, oh oh oh  
Every little thing that makes you glad  
All of the secrets that you hide I got to know  
Whoa, every little thing Tell me every little thing  
(Tell me)  
Every little thing  
(Tell me) Tell me every little thing that makes you happy, oh oh oh  
Every little thing that makes you glad  
All of the secrets that you hide I got to know  
Whoa, every little thing Every little thing  
Every little thing
