

# Don't Be So Hard On Yourself

[Luka Bloom](#)

When I look at you, I see your power  
But when your blues come around  
You're so hard on yourself  
Somebody needs you  
You always come through You let nobody down  
But when you're low  
Where do you go?  
Who helps you come around? When I look at you  
I see things you don't seem to  
You're so hard on yourself  
Don't be so hard on yourself  
Somebody needs you  
You always come through You let nobody down  
But when you're low  
Where do you go?  
Who helps you come around?
