Don't Be So Hard On Yourself

Luka Bloom

When I look at you, I see your power But when your blues come around You're so hard on yourself Somebody needs you You always come through You let nobody down But when you're low Where do you go? Who helps you come around? When I look at you I see things you don't seem to You're so hard on yourself Don't be so hard on yourself Somebody needs you You always come throughYou let nobody down But when you're low Where do you go? Who helps you come around?
