

# God Only Knows

Cornelius

Silently at night it fell  
From that snow last night  
I was the only one in the world  
The only one who caught a cold God only knows On March 1997  
I was the only one in the world  
Humming a song called  
"Just Like Honey" God only knows They said nothing on the news  
I don't even know who it was  
He was counting down the days  
To the moment the world ends God only knows
