Boom

Laleh

All the unknown tragedies
That you've been through, I can see
Are your unknown qualitiesAll the things you've never told
Honey, you don't have to own them
They don't have to beSo leave it to me, leave it to God
Leave it to the ghosts, they can worry 'bout that
Leave it to me, leave it in the dirt
Leave it to the long gone never look backStand by me and I stand by you
We leave the dirt in the earth to bloom
Tell the morning we'll be there soon
Before you go, let your heart go boomLet your heart go boom
Let your heart go boom
Let your heart go boom
Boom
BoomAll the blessings we receive
Go together with the bleeding
It's how it's supposed to beSo leave it to me, leave it to God
Leave it to the ghosts, they can worry 'bout that
Leave it to me, leave it in the dirt
Leave it to the long gone never look backStand by me and I stand by you
We leave the dirt in the earth to bloom
Tell the morning we'll be there soon
Before you go, let your heart go boom
Let your heart go boom(Stand by me and I stand by you
We leave the dirt in the earth to bloom
Tell the morning we'll be there soon
Before you go, let your heart go boom)Let your heart go boom
Let your heart go boom
Let your heart go boom
Boom
BoomLet your heart go boom boom boom boom boom etc.Boom
Boom
